

IT ALL ADDS UP TO
SOMETHING GREATER.

NORTERRE

Norterre is the first multigenerational community of its kind, built with heart, vision, and imagination. A health and wellness destination where young families, active adults, and seniors can live, heal, and play together in one neighborhood. Because when everyone is inspired to work together, each one of us is greater than the sum of its parts.

BE GREATER THAN

HEALTH & WELLNESS CENTER

The cornerstone of Norterre offers 50,000 square feet of physical, mental, and spiritual wellness, surrounding you with a team of compassionate and medically-trained experts. An aspiring athlete can discover his inner motivation by helping a Dad recovering from knee surgery, next to a professional runner in training, while a Mom finds her Chi in yoga class. All with the shared desire to grow stronger, live healthier, feel better, and find a greater you.

- Personal training
- Weight management
